How to achieve Team Builder, Regional Builder, and National Builder

It's been said that everything rises and falls on leadership. At Surge365 we do everything in our power to provide you the tools to learn and a growth track of success to follow. The following are the beginning levels of leadership and how you achieve them:

Team Builder

You become a Team Builder when you personally make three (3) Vortex Plus or Vortex Platinum sales in your first sixty (60) days as a SBA.

Regional Builder

You become a Regional Builder once you earn five (5) \$1,000 bonuses.

National Builder

You become a National Builder once you earn fifteen (15) \$1,000 bonuses.

Please Note: These levels are based on bonuses that have been achieved since the launch of Surge365 on March 2, 2015.
